EDUCATION

Savitribai Phule Pune University	Pune, India
Master of Science in Computer Applications	*July 2025 – March 2027*
Shivaji University	Satara, India
Higher Secondary Certificate (Class 12, 84%)	*July 2019 – March 2021*
Maharashtra State Board	Satara, India
Secondary School Certificate (Class 10, 87%)	*March 2019*

SKILLS

Java: OOP Concepts, Collections Framework, Exception Handling, Multithreading, Java 8 (Streams, Lambdas), JDBC, Hibernate, Spring Boot

Databases: Oracle SQL, PostgreSQL, MongoDB, SQL Queries, Joins, Stored Procedures, PL/pgSQL

Web Development: HTML5, CSS3, JavaScript (ES6+), Bootstrap, REST APIs

Tools & Platforms: VS Code, Eclipse, IntelliJ IDEA, Postman, Git/GitHub, Maven, Tomcat, Oracle Cloud (OCI basics)

Soft SKills: Problem Solving, Communication, Team work

PROJECTS

FindIssue

Spring Boot Web Application

- Developed a web application to help users **track, manage, and resolve issues/bugs** efficiently.
- Implemented features such as pagination, exception handling, and status tracking.
- Designed an intuitive dashboard for users to filter and prioritize issues quickly.
- Optimized API calls for performance, reducing response time by nearly 40%.

Portfolio Website

Personal Portfolio Website

- Designed and developed a personal **portfolio website** to showcase projects, skills, and achievements.
- Implemented a responsive UI using **React and Tailwind CSS**, ensuring cross-device accessibility.
- Added a project filtering system and smooth animations for better user experience.
- Integrated Google Analytics to track visitor traffic and engagement.
- Deployed website on **GitHub Pages / Vercel** with custom domain integration.

Source Code: https://github.com/sumit1456/portfolio-Website

Hibernate Car Management System

Console-Based Management System

- Built a CRUD-based application for managing car details using **Hibernate & Spring Boot**.
- Implemented relational mapping and transaction handling for reliable database operations.
- Added search and filter options for efficient car record retrieval.
- Integrated role-based authentication for secure access control.
- Tested APIs with **Postman** and managed dependencies using **Maven**.

Courses & Certifications

Java Full Stack Development   Sept 2024 – July 2025
QSpiders Training Institute   *Pune, India*

- Completed hands-on training in **Core Java, JDBC, Servlets, JSP, Hibernate, Spring Boot, REST APIs, Oracle SQL**.

- Built and deployed mini-projects covering both frontend (HTML, CSS, JavaScript) and backend technologies.

OCI Foundations Associate   17 Aug 2024 – Ongoing
Oracle University   *Remote*

- Learning fundamentals of **Oracle Cloud Infrastructure (OCI)** including Compute, Networking, Storage, and IAM.

- Preparing for certification by working on cloud provisioning, resource monitoring, and security concepts.
